

KowChip Bingo  
Standard Sponsorship \$250

These are the organizations that benefit from our KowChip Bingo, and now our Kar Show. KowChip Bingo is the Kiwanis Club of Santa Susana's main fundraiser for the year. The money raised through KowChip Bingo is used throughout the year and distributed to non-profit organizations in need of funding for special projects or purchases. The funds are also used to purchase supplies and materials for work projects accomplished by the Club.

We have had great success in our work projects (cleaning yards, installing floors and handicap ramps), but now it is time to raise some funds. The following is a short list of organizations that have received funding from the money raised through KowChip Bingo & our Kruizin' Kar Show:

**Boys and Girls Club of Simi Valley**  
**Simi Valley Family YMCA**  
**Simi Valley Samaritan Center**  
**Rancho Simi Recreation and Parks District**  
**Care and Share Food Bank**  
**Free Clinic of Simi Valley**  
**Apollo High School Minor Parents Program**  
**Santa Susana High School Scholarships**  
**Simi Valley Police Foundation**  
**Simi Valley Friends of the Library**

Help us help these and more organizations that need assistance.
